

ЗАЛУУ БИЗНЕСИЙГ ДЭМЖИХ САНААЧЛАГА ХӨТӨЛБӨР

The program delivered measurable outcomes across entrepreneurship development, financial inclusion, and employment generation, particularly targeting youth aged 16–35 and inclusive business groups in Mongolia.

Capacity Building & Human Capital Development

- Total Youth Trained (Age 16–35): 62 participants
Entrepreneurship, financial literacy, and business management skills.
- Mentorship Matching: 355 entrepreneurs
Successfully matched with experienced mentors to support business growth, decision-making, and investment readiness.

Enterprise Creation & Growth

- New Businesses Started: 37 enterprises - Youth-led startups established across sectors including agriculture, services, and small-scale manufacturing.
- Businesses Strengthened: 183 enterprises - Existing businesses improved in areas such as operations, financial management, marketing, and sustainability practices.
- Businesses Supported: 456 enterprises - Advisory services, training, mentorship, and ecosystem support.

Access to Finance & Investment Facilitation

- Clients Successfully Financed: 58 entrepreneurs - Businesses that secured loans or external financing through program support.
- Facilitated Loan Value: 1.0 million USD - Financial volume tracking to be strengthened in next phase for improved impact measurement.

Employment & Economic Impact

- Jobs Generated: 1,330 jobs - includes direct and indirect employment created through supported enterprises, contributing to local economic development.

Inclusive & Social Entrepreneurship

- Supported Social Entrepreneurs: 150 entrepreneurs - Future reporting will disaggregate social, green, and inclusive enterprises (e.g., women-led, disability-inclusive businesses).

Proud Moment of Excellence

We are honored to celebrate Ms. Buram Munkshuren (standing at the center in a golden-yellow national costume), recipient of the Young Entrepreneur of the Year 2019 Award in Cartagena, whose achievement reflects our commitment to nurturing globally recognized, high-impact entrepreneurs.
