

### Youth & Enterprise Development

3,093 youth trained in entrepreneurship  
 361 new businesses established  
 826 businesses strengthened and scaled  
 485 youth connected with mentors and coaches

### Jobs & Economic Impact

200 new jobs created  
 450 Social entrepreneurs supported

### About the Program

Launched in 2013 by Development Solutions NGO as an accredited member of Youth Business International, Youth Business Mongolia (YBM) is part of a global movement to build inclusive and sustainable entrepreneurship ecosystems. Under YBI's 2023–2025 global strategy, 793,948 young entrepreneurs have been supported, creating over 1 million jobs and enabling 66,624 businesses to start and grow worldwide.

### Access to Finance

497 businesses linked to financing  
 20 entrepreneurs supported to access up to USD 500,000 in international small-grants

### Environmental & Social Impact

Through green and social business transformation:  
 1,000 hectares of pastureland protected  
 100 hectares of forest conserved  
 600 tons of waste recycled into value-added production

Scaling

“Youth entrepreneurship is not a niche issue; it is central to inclusive, sustainable development.” - Anita Tiessen, YBI CEO

“Youth entrepreneurship is the engine of inclusive and sustainable development.” - Khishigsuren Byambaa, Executive Director, DS

“If everyone in the ecosystem acts responsibly, we can build a more humane, healthy, and inclusive future together.” - Ms. Enkhtuul  
 YBM Entrepreneur, Pet Clinic in Umnugovi Aimag

### Why YBM Matters in Mongolia

YBM is not only supporting businesses—it is shaping a new generation of entrepreneurs who:  
 Build inclusive and resilient young enterprises  
 Contribute to local community development  
 Protect the environment and natural resources  
 Drive sustainable economic growth in Young Mongolia
